

Uncle Joe

Gregory Isaacs

No, no, brother Joe, no more
Just can't take it no longer, Uncle Joe
Oh gosh, you're squeezing my toe
Just can't take it no longer, Uncle Joe, now
Now, now
Oh gosh, you're squeezing my toe, yeah

Your reform institution
Wanna set my mind in an illusion, yeah
And I don't like your system
So I won't be a victim, oh no, oh no
No, no, no, no, no
Oh no, no, no, no Uncle Joe

Turn me loose
Don't try to kill the goose
This life is not for me.. in your G.P.
No, no, brother Joe

No Joe
No, no, no, no, no
Oh gosh, no now, squeezing my toe
Got to let me go
Only Jah Jah know

Brother Joe
You're squeezing my toe

Your reform institution
Wanna put my mind in an illusion, but no
And I don't like the system
So I won't be a victim no more, no more
No, no, no, no, no
No more, Joe, no, no Uncle Joe
Set me free, yeah, ooh wee

Ain't gonna stay around no longer
No, now...
