

I Will

Gregory Porter

Can anybody hear my song?
Come near me now
We got children of the same God
Walking bold and strong
To the rhythm of the drum

Can anybody feel my love?
'Cause it's cold outside
Can anybody feel my love?
Has your well run dry

They are soldiers of the vanguard
Walking bold in stride
To the rhythm of the gun
(Rhythm, rhythm, rhythm)
They are soldiers of the vanguard
Walking broad and wide
To the rhythm of the gun
(Rhythm, rhythm, rhythm)

There's a river I'm looking for
With a source high and far away
I am wise enough to know
I should follow the old and gray
I have sold my things of value
Just to get here
I will sail my soul down the river of love
I'm a fool for it, I'm a fool

I will
I will

There's a river we need to cross
Before the falls with the rocks below
I have learned my lesson the hard way
Now I'm wise enough to know
I have sold my things of value
Just to get here
I will sail my soul down the river of love
I'm a fool for it, I'm a fool

I will

Anybody hear my song?
Anybody hear my song?
(Anybody hear my song?)
Anybody feel my love?
(Can you feel my love?)
Anybody feel my love?

We are children of same God
Walking bold in stride
To the rhythm of the drum
To the rhythm of the drum
To the rhythm of the drum

Can anybody hear my song?

Can anybody hear my song?
