

NUH UH

Greta Isaac

You look lovely
Tell me I'm pretty
Or I'll kill your family
Ha ha ha, just kidding

Let's go my place
Your face on my face
Wear this lampshade
Now you're electric baby

Oh what a shame
Throwing dirt on your name
I'm a mess, you're a saint
And I'm at it again

You ain't ever seen a flower like this before
NUH UH
Baby do a kneel and kiss the floor
NUH UH
I look at you, you're so fucking cute
I want to break you
No, you ain't ever seen a flower like this before
NUH UH

Kiss me quickly
Tell me you need me
Don't ever leave me
Ha ha ha, no seriously though

Hey boy I see you looking at me
Fucking it all up and trying to breathe
Mother, mother! I think I'm in love
NUH UH, NUH UH, I'ma leave you hurting so good

You ain't ever seen a flower like this before
NUH UH
Baby do a kneel and kiss the floor
NUH UH
I look at you, you're so fucking cute
I want to break you
No, you ain't ever seen a flower like this before
NUH UH
