## Here for the Party

## **Gretchen Wilson**

Well I'm an eight ball shooting, double fisted drinking son of a gun I wear my jeans a little tight just to watch the little boys co me undone

I'm here for the beer and the ball busting band Gonna get a little crazy just because I can

You know I'm here for the party And I ain't leavin' till they throw me out Gonna have a little fun, gonna get me some You know I'm here, I'm here for the party

I may not be a ten but the boys say I clean up good And if I gave 'em half a chance for some rowdy romance You know they would

I've been waiting all week just to have a good time So bring on them cowboys and their pick up lines

You know I'm here for the party And I ain't leavin' till they throw me out Gonna have a little fun, gonna get me some You know I'm here, I'm here for the party

Don't want no purple hooter shooter, just some jack on the rock s Don't mind me if I start that trashy talk

You know I'm here for the party And I ain't leavin' till they throw me out Gonna have a little fun, gonna get me some I'm here

You know I'm here for the party And I ain't leavin' till they throw me out Gonna have a little fun, gonna get me some You know I'm here, I'm here for the party, yeah

I'm here for the party, I'm here for the party Just try to throw me out I'm here for the party, just try to throw me out I'm here for the party, yeah
