

Diamonds

Gretchen

I know what you want
From me, from me
Just tell me that you love me
And I will be, I will be

The reason that you laugh
The reason that you cry
I'll take your tears and
Turn them all to diamonds for you
Cause nothing you could say
And nothing you could do
Could ever make me close my eyes
And turn away from you

I know what you want
From me, from me
Just tell me that you need me
And I will be, I will be

The one that brings you home
And when your all alone
I'll hold you in my arms
I've hung the moon and stars for you
The one that you desire
That sets your heart on fire
Cause now you know there's nothing
In this world that you can't do
