

Painted

Grey Daze

I know I'm bein' a bad boy
Throw my face in it
I know I'm bein' a bad boy
Shove my face in spit
I know how I've been down against me
Now I'm facing it
I know how I've been down against me
Now I lie in it

I felt the pain inside
I've seen the blue skies cry
I've seen the clouds roll by
Why can't I fly?

I know how much it hurts you to hate me
Well, you can't resist
I know how much it hurts you to hate me
As you can't show offense

I felt the pain inside
I've seen the blue skies cry
I've seen the clouds roll by
Why can't I fly?

Yeah!

I felt the pain inside!
I've seen the blue skies cry!
I've seen the clouds roll by!
Why can't I fly?

I know I'm bein' a bad boy
Throw my face in it
I know I'm bein' a bad boy
Shove my face in spit
