

## Grey Area

Grey

Ooh-oh, oh-oh, oh  
Ooh-oh, oh-oh, oh-oh

Feels like you're always moving  
Feels like I always suck  
But you see me as a girlfriend  
Just somebody that you're  
Messing up, I don't need this  
But you got a golden touch  
That's why I'm always coming  
Scared that I'll say too much

If I tell you what I want  
What I really, really want from you  
Would you give me what I want?  
What I really, really want from you  
If I tell you what I want  
What I really, really want from you  
Would you give me what I want?  
What I really, really want

'Cause you know what it is I wanna call it  
I'm leaving here in love or brokenhearted  
So, baby, come on let's just finish what you started  
I can't, I can't stay with you in this grey area

I stare at your bedroom ceiling  
I really hate these sheets  
Said we could roll between 'em  
Said that it won't mean, uh  
Anything, I was lying  
Did know it at the time  
Now we're forever talking  
To ask if it's yours or mine

If I tell you what I want  
What I really, really want from you  
Would you give me what I want?  
What I really, really want from you  
If I tell you what I want  
What I really, really want from you  
Would you give me what I want?  
What I really, really want

'Cause you know what it is I wanna call it  
I'm leaving here in love or brokenhearted  
So, baby, come on let's just finish what you started  
I can't, I can't stay with you in this grey area  
You know what it is but you won't say it  
You don't feel my touch unless if naked  
So, baby, come on let's just finish what you started  
I can't, I can't stay with you in this grey area

Ooh-oh, oh-oh, oh  
Ooh-oh, oh-oh, oh-oh
