JADED

Grey

I don't really wanna hear what hurts your feelings
I would rather hit the breaks than break your heart, yeah
Thought I told you form the drop to keep your distance, oh-oh
Tell me what I gotta do to make this stop

Yeah, I got baggage like I'm leaving
Know I'm damaged, I got demons, yeah
Go and let go
Go and, go and let go
I'm always changing with the seasons
Then I get anxious for no reason, yeah
Go and let go
Go and, go and let go

Wish I could spend my love on you
But I got much too much to lose
Jaded, I'm jaded
You say, "When you'll know, you'll know, you'll know"
But right now I don't, I don't, I don't
I'm jaded, I'm jaded, oh-oh

Why you always gotta think that you can fix me
You ain't got the type of time to bring me back, oh-oh
Don't you know that you'll be better if you quit me?
The best things in life don't ever last

Yeah, I got baggage like I'm leaving
Know I'm damaged, I got demons, yeah
Go and let go
Go and, go and let go
I'm always changing with the seasons
Then I get anxious for no reason, yeah
Go and let go
Go and, go and let go

Wish I could spend my love on you
But I got much too much to lose
Jaded, I'm jaded
You say, "When you'll know, you'll know, you'll know"
But right now I don't, I don't, I don't
I'm jaded, I'm jaded

Oh, you know, you know, you know, you know
I'm jaded, I'm jaded
Oh, you know, you know, you know, you know
I'm jaded, I'm jaded, oh-oh
