

# SILVER LINEN

Grey

Conscience slipping  
Your body's dripping in Silver Linen  
I think I'm stripping it all the way down  
You call me when you want me now

Superstition  
God can't be dead cause she's in my Vision  
I'm not religious but I believe now  
She calls me when she wants me now

Girl you know  
The taste of your face makes me wanna be a sinner  
May think the way that I'm gonna keep it simple  
Cause I want you bad  
Cause I want you so bad

Can't keep away  
Cause we both know that we want it

I want it  
You flaunt it  
It's flawless  
I'm giving in  
I want it  
Be honest  
You've got it

Your body's racing through my mind  
(I want it, I want it, I want it)  
I can't get enough  
(I want it, I want it, I want it)  
(I want it, I want, it)

Your body's racing through my mind  
I can't get enough

Your body's racing through my mind  
I can't get enough

I can feel you breathing down my neck  
It's getting faster  
Fucking like a movie  
We can do it till we pass out  
It's two in the morning  
Do not disturb on the door  
(Woah, oh)

Girl you know  
The taste of your face makes me wanna be a sinner  
May think the way that I'm gonna keep it simple  
Cause I want you bad  
Cause I want you so bad

Can't keep away  
Cause we both know that we want it

I want it

You flaunt it  
It's flawless  
I'm giving in  
I want it  
Be honest  
You've got it

Your body's racing through my mind  
(I want it, I want it, I want it)  
I can't get enough  
(I want it, I want it, I want it)  
(I want it, I want, it)

(Cause I want you so bad)  
Your body's racing through my mind  
I can't get enough

(Cause I want you so bad)  
Your body's racing through my mind  
I can't get enough
