

They want me to live in the fast lane but I can't seem to merge  
I've been given just one more night and I'm using it purge, oh  
lord

Been drinking, been drugging, I've been looking for some good f  
ast loving

Been drinking, been drugging, I've been looking for a girl like  
you

Tell everyone one that you know that I'm selling my soul

I just need a couple bucks and I'm ready to go

All I am is pale skin and moving parts, all I am is head and he  
art

They want me to live in the fast lane but I can't seem to merge  
I've been given just one more night and I'm using it purge, oh  
lord

Been drinking, been drugging, I've been looking for some good f  
ast loving

Been drinking, been drugging, I've been looking for a girl like  
you

I gave you up and for what, the sounds that we make?

Bring me to my knees, begging darling please bring me to my kne  
es

"My girl, my girl, don't lie to me

Tell me, where did you sleep last night?

My girl, my girl, don't lie to me

Tell me, where did you sleep last night?

My girl, my girl, where will you go?

I'm going where the cold wind blows

My girl, my girl, don't lie to me

Tell me, where did you sleep last night?

My girl, my girl, where will you go?

I'm going where the cold wind blows

My girl, my girl, don't lie to me

Tell me, where did you sleep last night?"

In the pines, in the pines, where the sun don't ever shine, I'l  
l see you there in '59
