

Cheyenne

Greyson Chance

It's a little cold outside tonight
But I was too close, not to say hi
You know I talked a friend of yours at school
She gave the impression that you might be cool
With a guy like me, with a girl like you
Oh, could you've seen
With a guy like me, with a girl like you

Imma fool for fool for
Falling for you girl
Please don't break my heart cheyenne
Imma fool for fool for
Making you my whole world
Please don't break my heart cheyenne
Please don't break my cheyenne,
Please don't break it, please don't break it

Cuz all along it's been you on my mind
Something special about you is hard to find
I know every girl's searching for romance
And I'm wondering if you'll take a chance
On a guy like me, with a girl like you
Oh, could you've seen
A guy like me, with a girl like you
Like you, like you, oh!

Imma fool for fool for
falling for you girl
Please don't break my heart cheyenne
Imma fool for fool for
Making you my whole world
Please don't break my heart cheyenne
Please don't break my cheyenne,
Please don't break it, please don't break it

I'm a fool for you, Cheyenne
I'm a fool for you, Cheyenne
I'm a fool for you, Cheyenne
I admit, I just say that
I can't live without you!

Imma fool for fool for
Falling for you girl
Please don't break my heart cheyenne
Imma fool for fool for
Making you my whole world
Please don't break my heart cheyenne
Please don't break my cheyenne,
Please don't break it, please don't break it
