

## Down & Out

Greyson Chance

I don't want the same things that I did  
When I was a pawn shop pistol kid  
I don't watch the same movies that we fell asleep to  
If I could I'd burn all those days  
Just for taking years off my age  
I was in a crowded room that I couldn't see through

You know now I can't be what you wanted  
When it killed everything that I could be

Oh yeah, oh, oh, baby I don't want to see  
Oh yeah, oh, oh, every shipwrecked part of me  
So if you're done with it now, don't keep me around  
What's the point of love, if it leaves me down and out?  
What's the point of love, if it leaves me down and out?

Watching every light in this cave  
Flicker 'til I slow fade away  
Now I'm up on Bowery Street with my blood on the pavement  
Watching all the lightning strike the buildings  
Am I too high now to be forgiven  
Dreaming of the vagabonds that I used to live for

I know now I can't be what you wanted  
When it pulled apart my body seam by seam

Oh yeah, oh, oh, baby I don't want to see  
Oh yeah, oh, oh, every shipwrecked part of me  
So if you're done with it now, don't keep me around  
What's the point of love, if it leaves me down and out?  
What's the point of love, if it leaves me down and out?

Down and out  
Down and out

Oh, oh, baby I don't want to see  
Oh, oh, every shipwrecked part of me  
So if you're done with it now, don't keep me around  
What's the point of love, if it leaves me down and out?  
What's the point of love, if it leaves me down and out?

Oh yeah, oh, oh, baby I don't want to see  
Oh yeah, oh, oh, every shipwrecked part of me
