

# So Fast

Griff

You don't have to go so fast, so fast  
Darling, if you don't want to  
Don't have to get your bags, your bags

The bass and the drum, sound like they're under water  
How long we been out here?  
I couldn't tell you but it's darker I know  
I couldn't tell you but it's colder I know  
I flip in and out of being over familiar  
How long we been alone?  
I couldn't tell you but my drink's running low  
I couldn't tell you but it feels like I know you

No, you don't have to go so fast, so fast  
Darling, if you don't want to  
Don't have to get your bags, your bags  
With everybody else, no you  
Don't have to go so quickly  
Stay a little longer, here with me  
You don't have to go so fast, so fast

A comfortable silence, a sadness so bright  
I swear I'm squinting my eyes  
So let them push past, don't let me hold you back  
And they can turn on the house lights  
I'm sure they're waiting for you out at the front  
But know that

You don't have to go so fast, so fast  
Darling, if you don't want to  
Don't have to get your bags, your bags  
With everybody else, no you  
Don't have to go so quickly  
Stay a little longer here with me

You don't have to go so fast, so fast  
Oh no you, don't have to go so quickly  
Stay a little longer here with me  
No, you don't have to go so fast, so fast  
No you don't have to go so fast, so fast  
'Cause I don't think I want you to
