

# Second Guessing

Griffen Palmer

Blame it on my youth  
Trying to play it cool  
All the corner booths I called home  
One foot out the door  
Always stopping short  
Just before the fork in the road  
Couldn't jump into the deep end  
I was always overthinking  
Every minute, every hour, every weekend

But since I met you, I  
I ain't spent one second guessing  
I've made up my mind  
I never knew I  
Just had to find my direction  
Gettin' lost in your eyes  
'Cause I've turned days into nights  
And spent all of my life asking questions  
Now I don't spend one second guessing

You turned on the lights  
Opened up my eyes  
To a world that I'd never seen  
I ain't looking back  
Worried 'bout the past  
Or the future when you're with me  
Now I'm swimming in the deep end  
Ain't no need for overthinking  
Girl you givin' life a brand new kind of meaning

Since I met you, I  
I ain't spent one second guessing  
I've made up my mind  
I never knew I  
Just had to find my direction  
Gettin' lost in your eyes  
'Cause I've turned days into nights  
And spent all of my life asking questions  
Now I don't spend one second guessing

Since I met you, I  
Always know right where I'm heading  
No doubt in my mind  
I never knew I  
Just had to find my direction  
Getting lost in your eyes  
'Cause I've turned days into nights  
And spent all of my life asking questions  
Now I don't spend one second guessing  
One second guessing  
One second guessing
