

# Easy Come Easy Go

Griffin House

Where I was going to I don't know  
Maybe, I was just dreaming of an easier road  
Easy come, easy go, you want it both ways  
But nothing's easier since you got your way, I know

There ain't no easy road  
There ain't no shortcuts home  
There ain't no easy come, easy go  
Tell me something that I don't, already know

There are no shortcuts home  
There is no easy road  
There's just a hard way, every day  
Trying to make it on your own  
There's just a hard way, every day  
Trying to make it on your own

What I was doing there, I can't say  
Maybe I was just lookin'  
For a simpler way, to come home

Easy come, easy go  
You want it both ways  
But, you got to want it  
If you want it to stay

There ain't no easy way  
There are no shortcuts home  
There ain't no easy come, easy go  
Sure as hell, ain't no easy road

There ain't no easy come, easy go  
Tell me something, that I don't, already know

I'm taking the long way home  
I'll take the long way home  
I'll take the hard way, any day  
Cause' when, I get back home  
I want to stay

There ain't no easy way  
There ain't no shortcuts home  
There's just a hard way every day  
Trying to make it on your own

There's just a hard way, every day  
Trying to make it on your own  
There's just a hard way every day  
Trying to make it on your own  
There's just a hard way, every day  
Trying to make it on your own
