

Just Another Guy

Griffin House

You win some, you lose some
It's all in your mind
I'll leave you alone so
I don't waste your time

Every guy I know's in love with you
Yeah, what's a boy like me supposed to do?
I confess, I'm a mess, I'm not over you
Yeah, I'm just another guy in love with you

You take what you can add
You used what you got
Yeah, you made me into
Someone I did not

Every guy I know's in love with you
Yeah, what's a boy like me suppose to do?
I confess, I'm a mess, I'm not over you
Yeah, I'm just another guy in love with you

Don't try to tell me it's illusion, baby
I understand I'm just a friend
You won't remember
I'm your defender 'til the end

Every guy I knows in love with you
Yeah, what's a boy like me suppose to do?
I confess, I'm a mess, am I lyin' to

Yeah, I'm never gonna be what you needed me to
Every guy I know's in love with you
Yeah, what's a boy like me suppose to do?
I confess, I'm a mess, I'm not over you, over you
Yeah, I'm just another guy in love with you, that's right
