

Real Love Can't Pretend

Griffin House

I guess I fell right in love with you
There was nothing else for me to do
Guess you had a right to know
I guess I fell right in love with you
There was nothing else for me to do
Guess you had a right to know
I guess I should have told you from the start

But I didn't want to let you get away
And even though the things I need to say
This ain't the kinda thing we need let keep us apart

You know I loved you from the start
And I still love you in the end
And I can't fake what's in my heart
Real love can't pretend
Real love can't pretend

And I learned love is more than what you feel
Things gotta get rough before they get real
But I know what I got
And I want to give it all to you

So won't you let me back in your heart
Cause I ain't got no time to kill
And this ain't the kinda thing we need let keep us apart

You know I loved you from the start
And I still love you in the end
I can't fake what's in my heart
Real love can't pretend
Real love can't pretend
Real love can't pretend

You know I loved you from the start
Real love can't pretend
I can't fake what's in my heart
Real love can't pretend
Real love can't pretend
Real love can't pretend
