

Dead Mutant

GrimSkunk

Only good mutant is a dead one
If it's alive the threat must die
Mutants slayed by the haunted ones
I'm gonna start a f**kin war
After which they'll be no more

Fucking creatures on the loose
Trigger the unholy power
Which mutant deaths satisfy
The hate in must go
Dead mutant funerals will grow

The race has a flaw, I hope that you know
I see it everywhere that I f**king go!
Ugly mutants trying to piss on me
I wish they all die and let me be

Dead mutant, no one can save
Send it back to it's f**kin grave
Stab

Stab them through the heart
Rest in peace
Once they're all dead...
