

## Final Tale

GrimSkunk

Way down in the depths of the earth  
Lies a realm of pain and hurt  
where evil spirits come to play  
their tortured souls in dismay

Imprisoned for eternity  
tormented for infinity  
among them are the chosen few  
whose only purpose is to haunt you

Their leader Satan is in command  
shall invade or destroy the whole land  
tremble mortal, as your gogs shall fall  
in the darkness that consumes it all...
