Poser Punk

GrimSkunk

Shave your head & be a man
You'll look just like a skin
Then let your hair grow back
Again to have the look that's in

Walk around all by yourself
Hoping people see
That you're the f**kin biggest
Punk there is to ever be

Shave your head & be a man
You'll look just like a skin
Then let your hair grow back
Again it's really not a sin

Say that you're a known punk
But no one knows your name
I'm sorry friend but this is
life & not some hardcore game

You're so f**king wrong
That's why I wrote this song
Cuz you'Re so f**king wrong
