

# Damn Straight

Grinspoon

dream,dont forget you got back all that you put in to it  
So meet me at the interchange, no one needs to know about this  
anyway  
nobody needs to

it is  
damn straight your to late to discover  
could you find another  
damn straight your too late to discover  
could you find another  
damn straight your to late to discover  
could you find another  
damn straight your to late to discover  
your too late damn straight

suprise so now heres the clow  
terror strikes whoever sent the flowers now  
repeated,people never change  
its easy to throw it all away again  
its fuckin easy

better get ready cos were ready to go  
get the antiseptic ....

hell yer chorus

find another  
find another
