Grip Inc.

Vulgar, parasite  
Endless quest for gain  
Obsession turns to disease  
Eats through to the bone  
We must, purify, where we dwell  
Sterilize  
Deliberate, Intentions  
Discolored and stained with greed  
The vultures descent to feed  
Merciless to the core  
We must, purify, where we dwell  
Sanitize  
Endless quest for gain  
Obsession turns to disease  
Brings you down to your knees  
  
We must, purify, where we dwell
