

I Still Know What You Bit Last Summer

Grits

That ain't sweet,
That ain't sweet, that ain't sweet,
Nah, that ain't sweet, that ain't sweet,
That ain't sweet, nah, that ain't sweet...

Stop biting, stop biting,
Stop biting, stop biting.

Stop biting,
Using styles that you know that ain't yours,
Stop biting,
Changing sounds every album you do,
Stop biting,
Reciting lines I done heard before,
Stop biting,
Making money off of rhymes that ain't you...
