Double n e (Tennessee)

Double s now double e

Now spell that out for me

No matter where I be

Everybody say it loud for me

Rock from state to state

Still remain my home plate

Bonafides my name To change the games my aim Gone break the chain and steak my claim While putting Nashville all on the brain With a twist of the mid south twang And a little bita bounce to bang Gone feed the soul and crowd the floors And take control and break the mold Kick the doors and spit the flows We in the pros what you ain't know Cause round here they caddy roll With gold grills and twenty wheels On Jefferson at Mary ribs Bounce to this from state to fisk We keep it hot for every spot Been round the world done seen a lot To all the boys out on the block Got love for y'all for real dog You the reason I'm here at all And took the call to break the fall And show the way from where I stay In Tennessee boy the dirty south bwoy

65 south ridin' dirty window down open mouth Spirit stirred off the sermon I just heard that's my word Dipped and doused Awakened quickly mold me shape me but first strip, Hold me take me to extremes in my reside Though it seems I'm so beside Myself in this state I'm place in open the box my fate Encased in break the seal and let me out In Tennessee that's what I'm talkin' bout Now I'm here not much can stop me you A supporter if you got this copy now show dem Pearlies boys and girlies buff and burlies straight And curlies no surprises, where we at got all shapes And sizes put on the brakes remove all disguises Erupt like geysers, sound off one time (wooh) Whether sadistic legalistic outcast, or misfit Fortun
