

Rarest of Birds

Grizfolk

I ain't asking for much
But the whole world, it ain't enough
I ain't asking for much
But the whole world, it ain't enough

Went looking for a whisper in a wasteland
Water in a desert sand
Nothing ever goes as planned
Life's hardest when you try to understand

I ain't asking for much
But the whole world, it ain't enough
I ain't asking for much
But the whole world, it ain't enough
Without your love

Went looking for a light in a rolling blackout
On my way from Hell and back yeah
Far and wide, like a rolling thunder
If I could just keep my head up, keep from going under

I ain't asking for much
But the whole world, it ain't enough
I ain't asking for much
But the whole world, it ain't enough
Without your love

Without your love
(Without your love)
Without your love
(Without your love)

We don't have to sing in words
Is that you I heard?
The rarest of birds
We don't have to sing in words
Is that you I heard?
The rarest of birds
We don't have to sing in words
Is that you I heard?
The rarest of birds
We don't have to sing in words
Is that you I heard?
The rarest of birds
