

A Leader Always Carried A Stick

Grizzly Bear

Oh a leader walks with force
Oh a leader makes the most of what he can, of what he can
Oh a leader flaunts his strength
Oh a leader takes command of what he can, of what he can.

But he always carries a stick

Oh a leader fills the bags
Oh a leader joins the ranks when he can, when he can
Oh a leader takes good aim
Oh a leader plays the game when he can, when he can

But he always carries a stick
But he always carries a stick
