

Time & Space

Groove Armada

(Go, go, go... let,) Let it take you through this Smugly lie hands in this Orb to let our love grow.

If all time seems To rave on feeling good, It's not how we should Show our love.

(Go, go...) It all wasn't easy you know! It all wasn't easy you know!

Time and space feel away-ay-
ay, bomb Time and space just to let go...

Are we joined by both Our hearts or linked only by Arms? will time e-ever show? Let's go... let's go.

And I won't need your love! It all wasn't easy you know!

Time and space feel away-ay-
ay, bomb Time and space just to let go...

It all wasn't easy you know! It all wasn't easy you know! It all wasn't easy you know! It all wasn't easy you know!
