

7 Years & 50 Days

Groove Coverage

7 Years and 50 Days,
the time is passing by,
nothing in this world could be,
as nice as you and I.

[Pre-Chorus]:

And how could we break up like this,
And how could we be wrong,
So many years,
So many days,
And I still sing my song.

[Chorus]:

Now I run to you,
Like I always do,
When I close my eyes I think of you,
Such a lonely girl,
Such a lonely world,
When I close my eyes I dream,
I return to you,
Like I always do,
When I close my eyes I think of you,
Such a lonely girl,
Such a lonely world,
When I close my eyes I dream of you.

7 years and 50 days,
Now just look at me,
Am I the girl,
I used to be,
So then what do you see.
