

# Call Me

Groove Coverage

Inside every memory of you and me, the rain begins to fall.  
In an ocean of my fears i know you won't be leaving me at all.  
All your everlasting words in dead old letters prophedied the e  
nd  
but I never ever stop believing that our wasted souls are bent.

When you call me I'll be there to guide you.  
When you call me I'll be there for you.  
When you call me I'll be there to guide you.  
When you call me I'll be there for you you.

I'm remembering the scars and wounds I know you suffered from t  
he rain.  
Is there anything that I can do to free your soul from all the  
pain.  
With your everlasting words you tried so hard to tell me that y  
ou're gone  
but i never ever start believing that you leave me all alone.

When you call me I'll be there to guide you.  
When you call me I'll be there for you.  
When you call me I'll be there to guide you.  
When you call me I'll be there for you you.
