

Let It Be

Groove Coverage

My life lasts forever, let me be with you
There's still so much silence that I'm going through
My tears are in heaven, but I must survive
When angels are crying
I'm ending my life.

Take the radio melody, sing with me
Play the song "Oh Let it Be"
With the radio symphony set you free
What you get is what you see
Take the radio melody, sing with me
Play the song "Oh Let it Be"
With the radio symphony set you free
What you get is what you see
On the radio symphony.

My dream lasts forever, so where are you now?
I'm searching for nothing 'cuz love dies somehow
No tears left in heaven that help me survive
The angels were crying
While I lost my life.

Take the radio melody, sing with me
Play the song "Oh Let it Be"
With the radio symphony set you free
What you get is what you see
Take the radio melody, sing with me
Play the song "Oh Let it Be"
With the radio symphony set you free
What you get is what you see
On the radio symphony.
