

# Keep Tryin'

Groove Theory

You've been  
Missin'  
Out on all the chances you've been given  
Is it something  
Within  
Holding you back instead of livin'

Your day is coming though it seems far  
Things will be clear when you love who you are  
Nothin' can stop you as long as you listen to your heart

Lift your head to the sky  
And keep tryin'  
Believe in you  
And it will take you higher [x2]

You have  
Sorrows  
Everywhere you turn they seem to follow  
If you  
Let go  
Happiness will come to you tomorrow

Your day is coming though it seems far  
Things will be clear when you love who you are  
Nothin' can stop you as long as you listen to your heart

You can make it if you try
