

## Pumpkinhead

Groovie Ghoulies

He rides the night - stays out of sight  
he sees your soul - he sees it all  
Pumpkinhead  
He knows no fear - he doesn't care  
he's already dead - and he's right here  
Pumpkinhead  
Believe no legend - believe no lies  
Wait 'til you see him - with your own eyes  
Pumpkinhead
