

Your Hypnotizing Eyes

Ground Zero

It's starting to get hot in here
My legs are shaking
I feel like I'm gonna faint
What just happened to me
I feel so dizzy
Oh oh oh oh

You're so hypnotizing
Every time I look in to your eyes
I see a whirling illusion inside
Going round and round and round
Making me go dizzy
Making me obey
Every word you say
Oh oh oh oh
Every word you say

I'm getting dizzy
Gonna fall down soon
But when I look into your eyes
Your illusion grabs hold of me
Makes all my worries disappear
You make me dizzy
Oh
How you make me dizzy

You're so hypnotizing
Every time I look in to your eyes
I see a whirling illusion inside
Going round and round and round
Making me go dizzy
Making me obey
Every word you say
Oh oh oh oh
Every word you say

What are you doing to me
Are you killing me inside
Why am i fainting for my life
Why do you bother
What does it matter to you
Why do you so much like to
Hypnotize me
Every time i see you i can't resist
Resist your eyes
Your biggest prize
A repetitive illusion going round and round and round

You're so hypnotizing
Every time I look in to your eyes
I see a whirling illusion inside
Going round and round and round
Making me go dizzy
Making me obey
Every word you say
Oh oh oh oh
Every word you say

You seem so normal
You seem so life like
But when I look into your eyes
I always remember you're not a normal being
Not a human at all
You're not life like
When I look into your eyes
What are you doing to me
Are you trying to kill me
Exploding all my insides
Making me faint for my life
Oh
You're hypnotizing eyes

You're so hypnotizing
Every time I look in to your eyes
I see a whirling illusion inside
Going round and round and round
Making me go dizzy
Making me obey
Every word you say
Oh oh oh oh
Every word you say

Every word you say
Just one quick question
What you doing to me
Are you killing me
Oh
Are you killing me with your hypnotizing eyes
Ohhhhh

Your hypnotizing eyes
