

## Fourth Dimension

Groundation

If they should laugh at you be strong  
They'll bomb the heavens and they'll blame us  
They will despise us as a Juden  
I can't believe them are the fourth dimension  
I can't believe this is the fourth dimension

Oh, why can't we be strong  
Man a chant so loud a call to Jah  
Them carry the soul of the oppressor  
I can't believe them are the fourth dimension  
I can't believe this is the fourth dimension

And if we were wrong  
Oh, let them hail Jah for all time  
Hail Jah for the love  
Oh Lord  
Hail Jah for the light yes, yes  
I hail, hail, hail, Jah, Jah, for, for, the light

If they should laugh at you be strong  
They chant so loud man "survival"  
I pray to God, the Messiah  
Is not the only one to break them chain Lord  
Can't be the only one to break them chain Lord

Oh, they lashed them in a Ghana  
The man betrayed us in the tribal  
They want to fight all dem culture  
I can't believe this is the fourth dimension  
I can't believe them are the fourth dimension

If they should laugh at you be strong  
No one can change your heart but you Jah  
Oh, how blessed they are who find it  
Still dem a search inna de fourth dimension  
Still dem a look inna the fourth dimension

It has been written in the prayer  
They'll bomb the heavens as a call to Jah  
Looks like their soldiers might deliver  
Nothing to fear for in my heart I know Jah...
