Groundation Chant

Groundation

They beat their drum
Upon the nation
Neva sell your soul, oh no, oh no
Upon creation

There shall come a day, when we shall all be free
And see the beauty, in your heart, in your heart
And from a far I can see the trumpet of his imperial majesty, oh god

Rastaman wohhha
What a groundation
Inna this iration

Rastaman wohhha
What a groundation
Inna this iration

Forward, forward, forward, forward... to high...
Live in the love, live in the light
Live in the love, the light, oh god, today
Please, believe me when I say
There will come a day when everyone shall see, unification, unification
From shore to shore they shall see the light
Across the oceans, all colors of the world, shall unite, will unite

And the Rastaman wohhha
What a groundation
Inna this iration

Well, the Rastaman wohhha
What a groundation
Upon this iration

Trod on, trod on, ride on, ride on, I say
Preach the words, preach those words
Preach those words of truth, tonight
And you shall jump on that ship taking you back home in another nation
Again, again, run, run
And they shall run away, fly away
Hold their head up to another day
Say guide I, through the valley
Guide I, guide I through the valley

And the Rastaman wohhha
What a groundation
Inna this iration

Rastaman wohhha
What a groundation
Upon this iration
