

# Here I Am

## Groundation

Vengeance grows up from his feet tonight  
How they sold some, and bought some, and won hundreds tonight  
"We'll have them all fighting like caveman tonight"  
But then he takes out the ark and scattered their dreams onto s  
even seas  
"Great and sole sun rain them with heavy rock you'll see"  
Still I man no want to see it  
Here I am, here I am, here I am, here I am, oh can you see it  
Here I am, here I am, here I am, here I am

Vengeance grows up from his feet tonight  
Until it's taken his head, locking it away and now he's hopeles  
s  
Oh! great honey flow crushed by the dreams of which we fled  
Still I man no want to see it  
Here I am, here I am, here I am, here I am, oh, man talk to Jah  
Here I am, here I am, here I am, here I am, I'm alone, I'm alon  
e Jah

Vengeance moves to cover me  
Many thoughts in your head, but no unity  
You're miles away from the hands of fate  
Turning everything into a big mistake  
I'm walking away 'cause I'm not satisfied  
Putting all my trouble in the great divide

Here I am, here I am, here I am, can you see  
Here I am, here I am, here I am

Vengeance moves to cover me  
Many thoughts in your head, but no unity  
You might start killing down a freedom row  
Fight a little battle but the win don't show  
You're miles away as you face your sin  
Like a babel tower man your vision's in

Here I am, here I am, here I am, can you see that  
Here I am, here I am, here I am... here I am
