

Red Rose

Groundation

Come in clean hearted son
The damage has already been (done)
Hold up your heart long as you live another one come
All that you breath, all them cultural vibes you see

My tear drops fallen in the sun so set it sweat them call it
Reggae Chant forces for no reason

Them tears we've cried, so why must we be helpless in the dayli
ght?

Them friend or foe? You've come already but you don't know

It's real, real start
It's sad, sad to see them
But I don't want to be there
I want to be a friend to them

Be not afraid of Jacob's wars
For I was there when the thunder, rain fall, when the...
Jerusalem valley used to be spring with fire red, red, red, red
, red, red, red, red, rock
And all the tiers in the trees were ripped clean of bark

What! Shadows survive me
I! Still man ghetto war
What! Ghetto man fighting
I! Still man ghetto war

Flames spark, flames spark, flames spark, flames spark is this
a fire or just a spark?

Combat yourself, carry to the lion
Combat yourself, carry to the heathen
Combat yourself, carry to the heathen go

Red rose I put it in my pocket
Red rose I put it pon a capital
Red rose I put it in ya pocket
Red rose...
