

# Vanity

## Groundation

Vanity has made this world condemned  
(To-to-do-to-do)  
You can see it in the people of today  
Pure Babylon wickedness on parade  
But behold, there is a choice  
(To-to-do-to-do)  
We are responsible for the fate of humanity  
We are strong enough to challenge their laws  
And heed the calling

Got to heed the calling  
Got to heed the calling  
Got to heed the calling

If you are asking me  
We have got to be  
Part of the solution  
Not a roadblock to equality
