

Warrior Blues

Groundation

Warrior blues, ah yeah
Warrior blues I had
Oh a warrior still I am
Warrior, warrior

And if ya want a battle, if ya want a battle
Jah Jah, ready to attack
And if ya give Jah glory, stand up tell your story
Jah Jah, got your back
Jah love was always there, from here to Zion
Jah love was always there, from here to Zion

It was a warrior blues I had
Warrior blues I had
Oh man a warrior still I am
Warrior, warrior

It was a warrior blues I had
Warrior blues, oh yeah, yeah
Oh man a warrior still I am
Fight the warrior

Jah will make all your ways balanced for you
None can call out this fire for justice
JFK, RFK and Martin Luther too, yes
Malcolm, Marcus and Marley with a vision for humanity
Let their commitment strengthen we

Well now if you want a battle
If ya want a battle
Jah Jah, ready to attack
If ya want a glory, stand up tell your story
Jah Jah, got your back oh
