I see a boy who falls when he should stand
You see a man who's trying the best he can
I see in the mirror the wear of my mistakes
You see my heart and just how much I've changed

I wanna believe it
When doubt tries to ransom me
I know that I need it
The faith to see what you see

What if the broken me was really your masterpiece
And everything wrong I see, you've made right
I know that your love redeems, you'll finish the work in me
I am made perfectly in your eyes

Twenty Twenty!
Twenty Twenty!

I see a someone who's scared to lose their dreams
But you see a lion ruling all he sees
I feel like an orphan who's run from all he's known
But you see your Son you're begging to come home, come home

What if the broken me was really your masterpiece
And everything wrong I see, you've made right
I know that your love redeems, you'll finish the work in me
I am made perfectly in your eyes

Twenty Twenty!
Twenty Twenty!

All this time I've only seen
The cracks and bruises that made me me
But you've made beauty from my mess
And left behind your fingerprints

What if the broken me was really your masterpiece
And everything wrong I see, you've made right
I know that your love redeems, you'll finish the work in me
I am made perfectly in your eyes

Twenty Twenty!
Twenty Twenty!
Twenty Twenty!
Twenty Twenty!
