

Best Is Yet to Come

Group 1 Crew

Everybody looks back and wonders if their dreams are through
If this is good as it gets, don't you really wish everybody had
a redo

This ain't the end of the story, no, it's just begun
And there ain't nothin in the world that you couldn't get if yo
u just believe in the Son

And I know there's a future for me
And I know that it's gonna be bright
Even though at times it won't be easy
I know that I'm gon' be alright

Because the best is yet, best is yet to come
Everybody, everybody throw ya hands up
Don't you worry 'cause this life has just begun
Because the best is yet, best is yet to come

And there's so much to be thankful for, everything we have is y
ours
Never woulda learned from the scars if you never even went thro
ugh a war
And the beauty of today is you don't know what tomorrow even ha
s in store
So until then, keep on keepin on lovin this life, 'cause there'
s so much more

And I know there's a future for me
And I know that it's gonna be bright
Even though at times it won't be easy
I know that I'm gon' be alright

Because the best is yet, best is yet to come
Everybody, everybody throw ya hands up
Don't you worry 'cause this life has just begun
Because the best is yet, best is yet to come

Someday, one day, we're going to see the sunrise
I know He's gonna wipe the tears from my eyes
Someday, one day, when all of the pain will be long gone
We're finally going to see the kingdom come

Because the best is yet, best is yet to come
Everybody, everybody throw ya hands up
Don't you worry 'cause this life has just begun
Because the best is yet, best is yet to come
