

## Bring The Party To Life

Group 1 Crew

Ladies and gentle The sound is fresh Out with the  
old In with the newest No plan b So we here in the  
flesh Call your neighbor up Cause you rockin with  
the best yes! G-R-OUP O-N-E C to the R to the E-  
double "V", Could it be We got the world chasin a  
dream Could it be They callin us modern Luther  
Kings A team of 3 cats And a king A tale unfolds  
While the whole world is watching Word on the  
street is We the Fugees with a swing But I say we  
are What they could have been with the trinity You  
listening To a man that's free He gave me the keys  
I free'd slavery I write mean sixteen's So yall  
can feel me And I write liberty So yall can feel he!  
[Chorus]

shut the door man come on in, there's a new thing  
about to begin, bring the party to life, we see  
them dead get the oxygen there's a new thing about  
to begin, bring the party to life

How ya doin man, I'm about to ruin any group 1  
opinion that you might have had, see we the soul  
train part of this game and no fame is gonna make  
us change (that's right), what it been like, we  
done traveled the world and havn't seen nothing  
better than Christ (sho you right) this ain? t cocky  
you watch me while I watch he who bought me like I  
was eBayed and not cheap, so it? s only right that I  
let this microphone become part of my bones while  
I give it life, what you're hearing is an exhale  
god breathes and I receive flow so you can't tell,  
who this be when we ride this beat we 3 deep in  
the front seat with destiny, make no mistake homy  
we goin reap what sown new rights to homes while  
god makes us right at home

I hit the spot 8 oclock I be rockin it, keep it  
live when I arrive ain? t no stopping it, hit the  
dance floor breaking, poppin, lockin' it, like a  
rolex everybody's watching this, never knew Christ  
could be so marvelous we the crew that you can't  
forget we own this, so get your shoes on and  
you're lookin right everybody in the spot bring the party to li
