

# I Had A Dream

Group 1 Crew

[Chorus]

I had I dream I saw myself holding a microphone we traveled all  
around the world just steady  
rockin these shows, but now we're here and all I feel is there'  
s so much more, our life was  
made to give away so here you go, here you go, its all for you  
That's how we rock, its all for you, that's how we roll, its al  
l for you, we gave it all so he  
could take control come on its all for you  
That's how we rock, its all for you, that's how we roll, its al  
l for you, we gave it all so he  
could take control come on

Up to bat first I disperse the ideology of girls being looked a  
t like property we could be  
standing in a crowd but we still stand, I had a dream now I'm l  
ivin it out forget the clout I'm  
about, giving you my life for inspiration fighting for your sou  
l with dedication forget being  
complacent our lives were made for so much more, grab my hand w  
e walking straight through the  
door I had a I had a

I had a dream, that I would rock the mic in front of millions,  
my voice would echo off every  
building, building up an empire that through God would catch fi  
re, and we would live the life  
that we desired, but soon after that a small part of me started  
crying, a little of my dream  
started dying and how could this be I thought that I was doing  
everything right, apparently he  
had much more for my life and that's when I fell asleep and had  
a new dream, saw things I've  
never seen, me adopted a baby girl and raise her as my little q  
ueen, own a label and sign a  
crew of soldiers that I'll raise to be business men so they cou  
ld take over, and address our  
kings agenda, address any pretenders give you all I have willin  
gly so you can enter, into a  
mind state that captivates this whole industry you're the new m  
e my dreams alive when you believe

First time around We told the world we had a dream We in it now  
and obviously we still a team  
the dream was never to wanna achieve the green so we've taken t  
he paper we seen and revised our  
theme yeah we want the top rock things that are hot but more im  
portantly we wanna get you out

the block yeah we all deserve the nicer things in life the rings  
are nice camera lights imagine  
if we took that and we all unite you wanna know why we rock the  
stage show its for the sole purpose  
of recruiting more people let me fill you in game plan  
first I was the beat man then I spit sixteen just because I can  
I didn't know music was a stepping stone that put me strategically  
infront of those who would help my destiny and help me help those  
who have need a dream is  
just a starting point for a bigger goal
