

# Keep Goin'

Group 1 Crew

Ay, yo CK  
Let's do what we do man  
Yeah

On the plane flying over these troubled waters  
Love, grace, peace homie you can keep the drama  
All about my God, I don't need luck  
See I do this for the kids who everyday they feel stuck  
In a bad situation, full of frustration  
Feeling so low at the bottom, basement  
People talking 'bout you and it hurts, yeah it hurts  
But it doesn't mean they understand your worth  
See what you can't see is God fighting for you in the background  
Watching every rumor that they spread coming back round  
Everything they ever try to do to keep you knocked down  
Jesus turned it all around, homie beat the smack down  
There ain't nothing in this world that can stop you  
You ain't gotta fight back, Daddy's always brought you  
To another level when they try to block-block you  
You ain't gotta worry, man He got you

(We can't stop)  
And we ain't gonna stop  
Cause there's nothing that can hold us down  
(We can't stop)  
Yeah we've come too far  
Just to quit and turn around  
(We won't stop)  
We put our hearts aloud  
With our faces in the crowd  
(We can't stop)  
No we ain't slowing down  
Yeah, Daddy we goin' make You proud  
We keep goin' goin' eh eh eh  
Keep goin' goin' eh eh eh  
We keep goin' goin' eh eh eh  
Keep goin' goin' eh eh eh

Goin' goin' goin' goin'  
I recommend, don't follow no trend  
It's different for the King when I make Him proud  
The truth set me free so I can live it out loud  
Louder than a beat rockin' in your headphones  
Louder than the stage when I'm rockin' in my zone  
This is for the people who stay steady pushin'  
Fightin' for the Kingdom when nobody's even lookin'  
And you know, I play the God He is today [?]  
Saw my name is the lights, in the NY Say [?]  
Told myself I ain't never gonna live for the hype  
Cause I wanna be the one who's gonna speak life  
Afraid of the moment I start to slip up  
The feeling that I'm done, feeling that I've had enough  
But when it arrives, I'll push the feeling aside  
Cause You're the One who makes me feel alive

(We can't stop)  
And we ain't gonna stop

Cause there's nothing that can hold us down  
(We can't stop)  
Yeah we've come too far  
Just to quit and turn around  
(We won't stop)  
We put our hearts aloud  
With our faces in the crowd  
(We can't stop)  
No we ain't slowing down  
Yeah, Daddy we goin' make You proud  
We keep goin' goin' eh eh eh  
Keep goin' goin' eh eh eh  
We keep goin' goin' eh eh eh  
Keep goin' goin' eh eh eh

And I know Your love surrounds me  
And I know nothing can hold me down  
And I know Your love surrounds me  
And I know nothing can hold me down

Dooooowwwwwnnnnn

(We can't stop)  
And we ain't gonna stop  
Cause there's nothing that can hold us down  
(We can't stop)  
Yeah we've come too far  
Just to quit and turn around  
(We won't stop)  
We put our hearts aloud  
With our faces in the crowd
