Phenomenal

VERSE 1 I spent a lot a time tryin to find something that could make me feel better My heart pulled up, down, left, right, but it never got better Seemed I was losin myself to find love but I never Ever thought you could show me just how much I was treasured

And I felt like love was so overrated You took my heart and showed you'd never break it Now I, oh I, hope that I never waste it No one could ever make me feel just like you do

Your love's phenomenal Your love's, your love's phenomenal Your love's phenomenal Your love's, your love's phenomenal Your love's, your love's phenomenal Your love's phenomenal Your love's, your love's phenomenal

I been around the world and back, and nothin even came close Can't help but laugh 'cause all the love I found was simply a joke They tried to tell me I could find it in the money and clothes But when I gottem, nothin changed, might as well have stayed broke 'Cause the fact is I could have Louis, Prada or Gucci But nothin could move me like the subtle way that you pursued me And all these groupies will fade when my units stop movin That's the nature of the beast, but you taming the beast, provin I ain't gotta do nothin, you already did it I ain't gotta keep frontin, yeah we copastetic And you love me so sweet, mmm mmm, diabetic We gon' always work it out, yup yup, calestenics

And I felt like love was so overrated No one could ever make me feel just like you do

Your love's phenomenal Your love's, your love's phenomenal Your love's phenomenal Your love's, your love's phenomenal Your love's, your love's phenomenal Your love's phenomenal Your love's, your love's phenomenal

Phenom, you the epitome of the most a High and it's fly that you guiding me like a chofa I could keep it hot, steady poppin like a toaster But you the one that's under me, holdin me like a coaster My life fast, others movin slower They skills like grass, my flow the mower Everything you gave me for the purpose just a show a Love so phenomenal, wakin them out the coma

Yeah, I'm wakin them out the coma Yeah, I'm wakin them out the coma It's on the way though ya

Group 1 Crew

You gotta wake up ya, yeah yeah

I don't know what you been through, and maybe you don't know me But I know just what you need, mayne And it ain't you, and it ain't me I don't know what you been through, and maybe you don't know me But I know just what you need, mayne And it ain't you, and it ain't me

You need my God Ay and I ain't talkin 'bout religion You need my God I'm talkin get up out the system You need my God Religion saves nobody You need my God I'm talkin get up out the system You need my God
