

## Come Softly - For Daniel D.

Grouper

I've been waiting  
For you to  
Come gently  
To me  
In night-time  
I feel you

Come softly  
The sky breathes  
A mirror  
To sea  
A soft light  
Warm in me

In a mirror  
You are mine  
The only  
Thing caring  
In me  
A soft light  
Come gently
