

Invisible

Grouper

Invisible
I've become invisible
A light shining through my skin
Never slows down

I've run out of things to say
I found something
If you can see me, be sure to let me know
Hold down my shadow, tie down my sail

Invisible
I've become invisible
Of course I [?]
And after [?]

Be sure my brook and the mirror are fading
The slow, steady rain is eroding and fading
This skin and this body, the spirit's the only thing
I've got it [?]

Invisible
I've become invisible
Or maybe I always was, just didn't know
