

Mary, On the Wall - Second Heart Tone

Grouper

Mary, on the wall
She looks up
The Mary on the wall
She never understands me

She always brings me down
She's always there to help me
Being across
Yet she still stands watch

As I lay me down
Watching over us
Why won't you help me?
Your eyes to your toes

And you still watch
Where I am, you're watching
Laying your eyes on me

Mary's haunting
Watching over us
Wanting, watching us
She laughs for us
She laughs for us
