

Towers

Grouper

Towers inside
Close my eyes
And let it rise
Let it rise

Moving up
All around
The sound
The sound
Risen up
To be found
To be found

Shining down
With the light
Coming down
With this sound
Moving through this hole
Moving round
As an ocean

Let it rise
And it sinks down
To be found

Rising
Closer

Let it rise
Let it rise
Let it rise

Let it rise
Let it rise
Let it rise
