

American Psycho

grouptherapy.

They look at me, incredible, impeccable
I never knew the levels you could reach
I never knew it either
I met her, blew the revenue, shit, and even Heaven knew I need her
I got a little cake, my own place, now I'm bakin' like Anita, uh
The money, I don't need it, but I got it, fuck it, I'ma keep it
I'ma get that shit to Keisha, I'ma make it back a week, it's that easy
I never peeped my peak, or speak to demons
I see the key, the reach has got me screamin'
"Who am I? Who am I? Me?" You decide, you define free
Money counter traumatize me (What?)
Money counter ringtone now (What?)
New addy in the valley, so (What?)
Money counter, ding-dong now (What?)
Ask, uh, hold all the calls (What?)
Open up the doe in my drawers (What?)
Y'all want too much money to withdraw (What?)
I need too much money to recall, uh, God (What?)

Make a nigga go psycho
(I go crazy, I go psycho, I go crazy, I go psycho)
Make a nigga go psycho
(I go crazy, I go psycho, I go crazy, I go psycho)
Make a nigga go psycho
(I go crazy, I go psycho, I go crazy, I go psycho)
Make a nigga go psycho
(I go crazy, I go psycho, I go crazy, I go psycho, psycho, psycho)

I hate niggas, 'cause the niggas hate me right on back (Right on back)
Hate hoes 'cause they never wanna see me relax (See me relax)
And it's not a ho in the sense of havin' a pussy
But tryin' to pull the pussy out of me, tryna challenge me
Women violate me 'cause I dabble in the faggotry
Niggas violate me 'cause I'm happy, shit's a tragedy
Everybody mad at me, everybody mad at me
Promise I can give your ass a reason if you laugh at me
Niggas talkin' crazy to me, I had to embarrass him
Had the veins poppin' out his head like travertine
Hook a politician to the truck, that's a drag queen
Had to try to find him through his teeth like a bad dream
If you got an issue, come flatten me, nigga
Don't battle me, nigga, come splatter me, nigga
Don't at me, nigga, come at me, nigga
Don't at me, nigga, come at me, nigga, yeah

Make a nigga go psycho
(I go crazy, I go psycho, I go crazy, I go psycho)
Make a nigga go psycho
(I go crazy, I go psycho, I go crazy, I go psycho)
Make a nigga go psycho
(I go crazy, I go psycho, I go crazy, I go psycho)
Make a nigga go psycho
(I go crazy, I go psycho, I go crazy, I go psycho, psycho, psycho)

I, I'm losin' my mind
I, I'm losin' my mind (I'm losin' my mind, I'm losin' my mind)
I, I'm losin' my mind (I'm losin' my mind, I'm losin' my mind)

I, I'm losin' my mind (I'm losin' my mind, I'm losin' my mind)
